Johnny Lind
Council President
Chignik Lake Electric
P. O. Box 33
Chignik Lake, AK 99548

Dear Mr. Lind:

On February 10, 2022, the Commission approved updated **Permanent** Power Cost Equalization (PCE) amount(s) in cents per kilowatt-hour (¢/kWh) for Chignik Lake Electric (CLEU), for the listed classes of customers as follows:

All	27.14¢
-----	--------

The revised PCE amount(s) result from the review of CLEU's Fuel Report filed on December 12, 2021. The PCE amount(s) are effective for bills rendered on or after February 11, 2022. A copy of the Commission Staff's recommendations and schedules are attached as an Appendix.

CLEU is reminded of its obligation under the PCE legislation to provide its customers with the notice specified in AS 42.45.120 or similar notice approved by the Alaska Energy Authority.

CLEU is also reminded of its obligation under 3 AAC 52.620 and 3 AAC 52.640 to notify the Commission of any change in its rates, surcharges, fuel costs, and/or efficiency of operation, and advises CLEU that a failure to comply with those reporting requirements could jeopardize continued participation in the program.

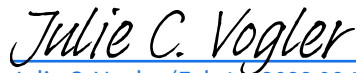

If CLEU believes that the calculation used to establish the PCE amount set out above is incorrect, it should seek reconsideration setting forth why it believes the calculation is in error. Any reconsideration request must be submitted within 15 days of the date of this Letter Order.

If you have any questions regarding the calculation of PCE amount(s), please contact Utility Financial Analyst Brenda Cox at (907) 263-2131.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
